The ceiling in the Great Hall can be enchanted to mimic the night sky.

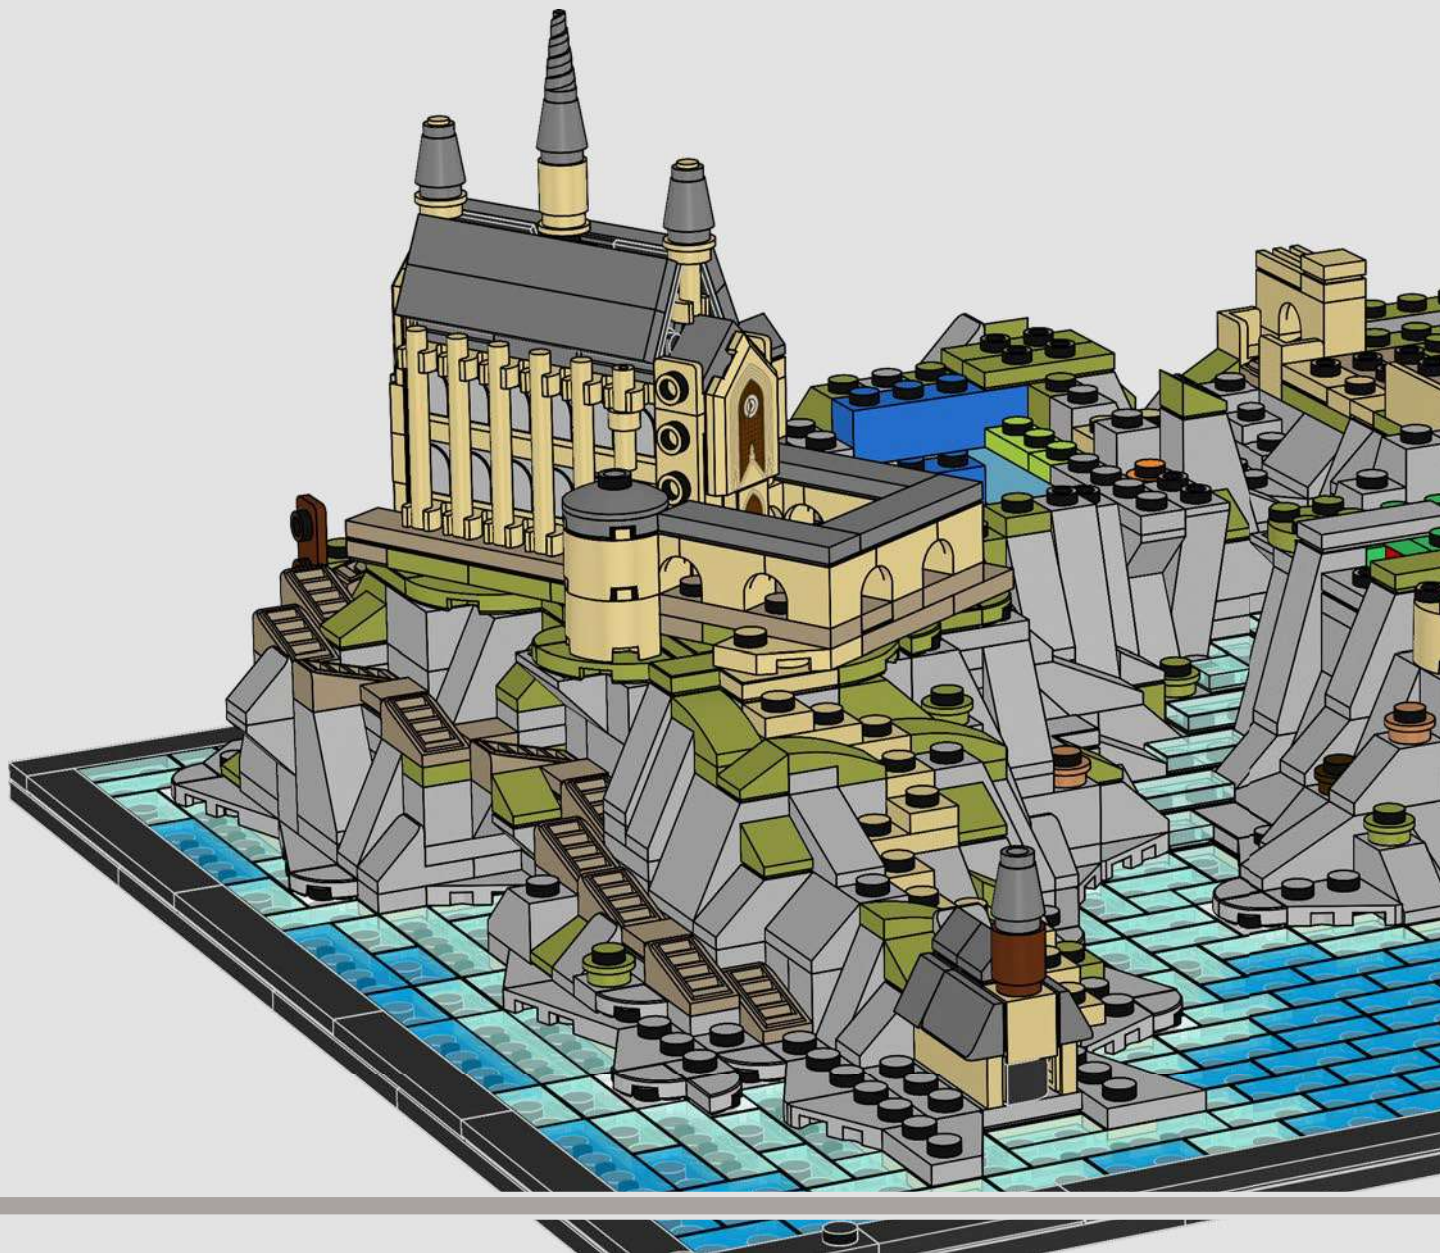

354

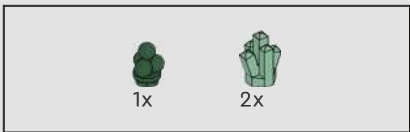

355

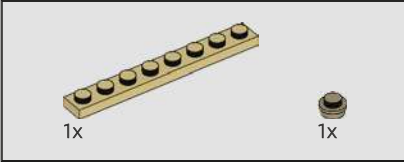

Immediately after arriving at Hogwarts™, first-year students are shown to the Great Hall where The Sorting Hat™ determines which house will be their home away from home.

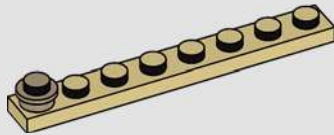

356

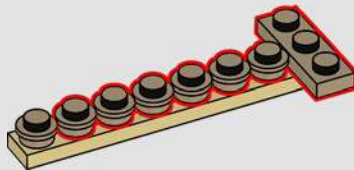

The trees are built with LEGO® crystal and ice cream elements (and a little magic).

The Viaduct Bridge is not only iconic to the Hogwarts™ silhouette but is the location of a few key moments through the series – when Harry talks with Professor Lupin about his parents, when the Hungarian Horntail chases after Harry in the First Task of the Triwizard Tournament, and when Neville has a shining moment against Scabior in the final battle of Hogwarts.

The Quad is the home to some emotional moments – to name a few, Harry's joy when he first flies his new broomstick, and his heartbreak when Sirius needs to go into hiding.

440

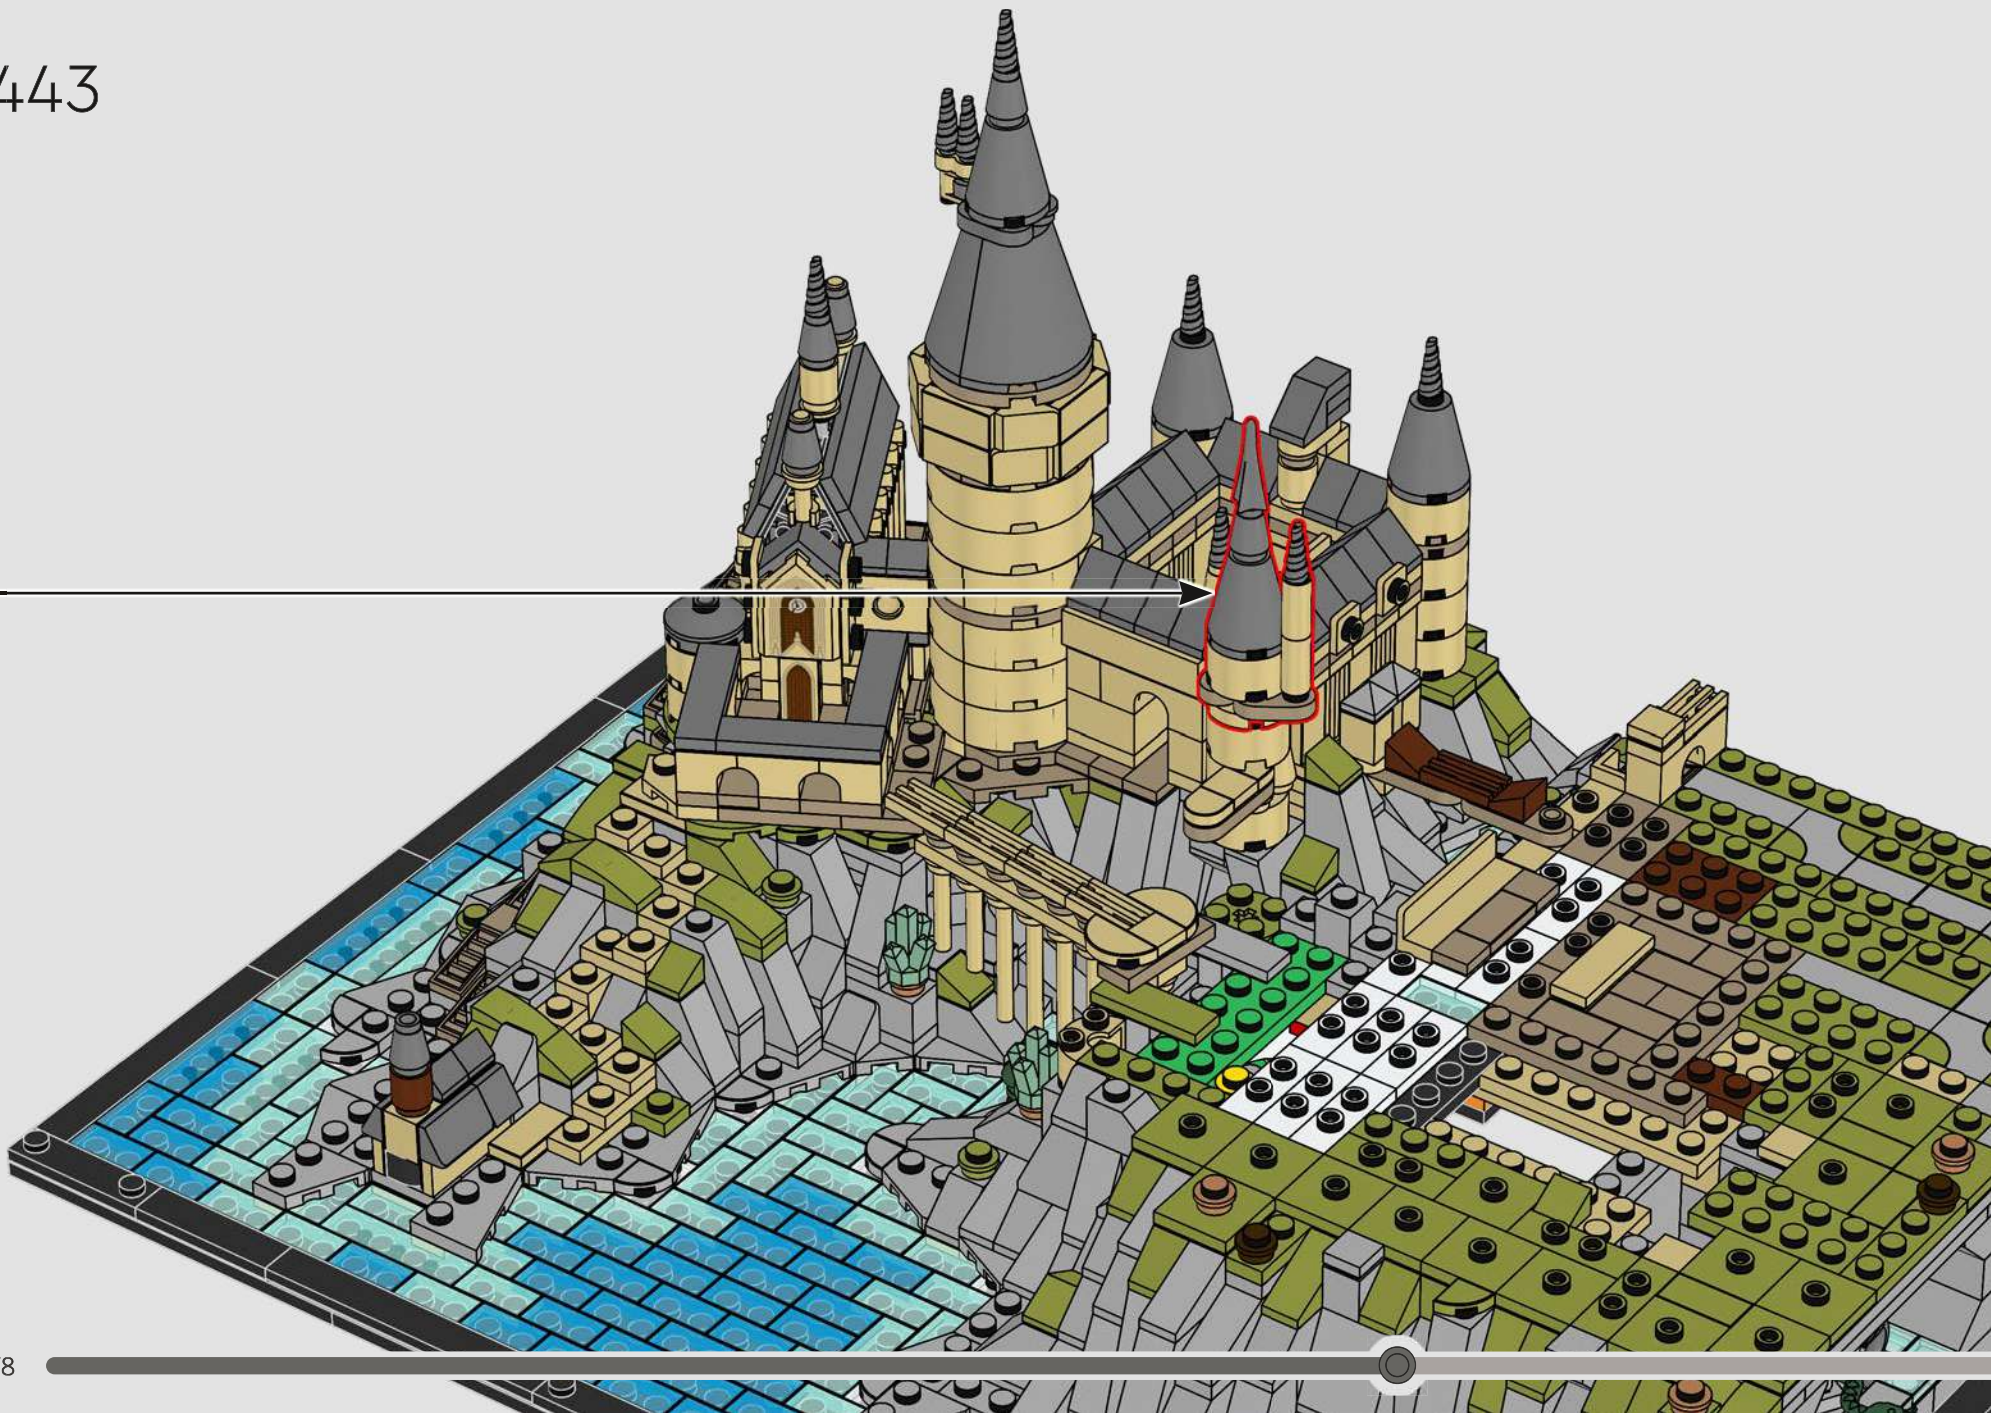

441

442

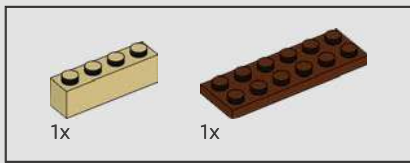

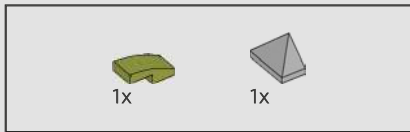

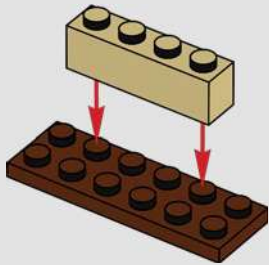

You wouldn't think the sprouting towers on the Headmaster's Tower could be an architecturally sustainable structure – but of course, at Hogwarts™ everything is possible!
